  *Ardmore Bridge Construction Presentation*

Closing Remarks
Raynese Edwards (OutsideIn Consulting)
Commissioner Rodney Ellis
Commissioner Rodney Ellis
Russ Poppe, P.E.
Executive Director
• A special purpose district created in 1937 by the Texas legislature

• In response to floods that devastated the Houston area in 1929 and 1935

• Serves as a local partner to leverage federal tax dollars for flood damage reduction

• Harris County Commissioners Court serves as the board of directors or governing body
Provide flood damage reduction projects that work, with appropriate regard for community and natural values.
A geographical region of land or "drainage area" that drains to a common channel or outlet, mostly creeks and bayous in Harris County. Drainage of the land can occur directly into a bayou or creek, or through a series of systems that may include storm sewers, roadside ditches, and/or tributary channels.
